

Newspaper articles

News stories from around the world appear every day in newspapers. On this sheet there are three headlines, three pictures and three captions. Match up each picture and caption to the correct headline. Choose a headline which you like, then cut it out with the matching picture and caption. Stick them into the boxes on page two. Use the remaining space to write your own story.

Headlines

(1) Baby whale saved in dramatic rescue

(2) Huge increase in beach litter

(3) Local regatta saved

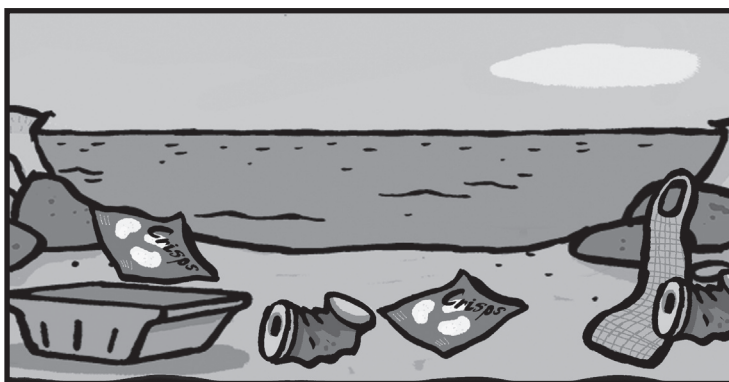

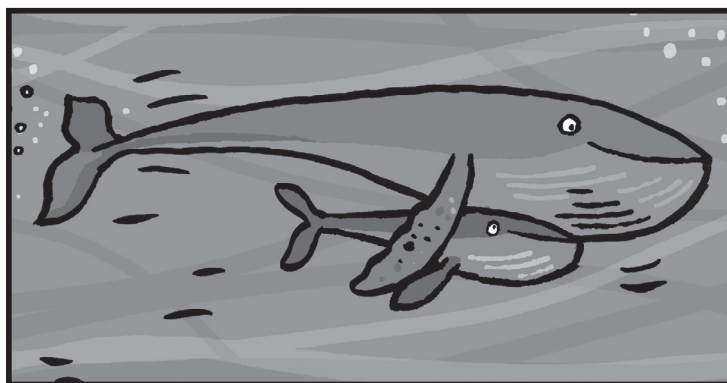

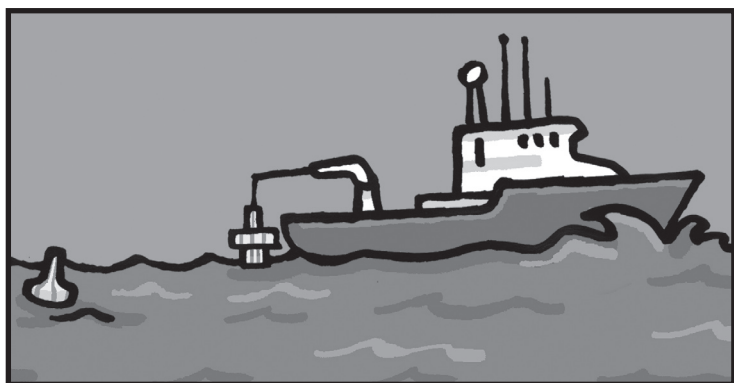

Captions

Regatta gets go-ahead after buoy dropped to mark wreck

Wight, a baby whale, rejoins his mother after getting too close to the shore

A new report shows more rubbish is being washed up on beaches than ever before
