Revision Status	Revision Date	Issuing Director	Chief Executive	Latest Executive Committee Review / Approval Date

1. Policy Statement

Trinity House (TH) shall be managed in a systematic, integrated, consistent and cost-effective manner within the framework of the Management System, which satisfies stakeholder and applicable statutory and regulatory requirements, ensures continuous improvement and has due regard for safety, the environment and the national heritage.

TH objectives shall be established by the Executive Committee and Senior Management Team, to deliver the Strategy, approved by the Lighthouse Board and reviewed periodically.

To demonstrate the above, the Management System, which derives from the established business processes of TH, will be certified against the requirements of BS EN ISO 9001:2015 Quality Management Systems; BS EN ISO 14001:2015 Environmental Management Systems; BS ISO 45001:2018 Occupational Health and Safety Management Systems; the International Safety Management Code (ISM Code); the International Ship & Port Facility Security Code (ISPS Code) and the Maritime Labour Convention (MLC).

TH Mission

To deliver a reliable, efficient and cost-effective aids to navigation service for the benefit and safety of all mariners.

2. Scope

This Policy applies to all TH operations, employees and contractors. For the avoidance of doubt this policy includes the GLA Light Dues function and GLA Research and Development Directorate (GRAD).
